

Together we are shaping the world.

I pledge to
#MakeGood

I pledge to...

take accountability of the influence and affect my words and actions have.

use my unique voice and/or talents in ways that strengthen or connect.

align my behaviors towards prioritizing the long-term health & well-being of all.

cherish our interdependence and leverage it to find mutual understanding.

actively listen to others; and to myself.

honor my needs and boundaries while I do my best to #MakeGood.
